Meeting Notes

1. We have already accumulated \$3000 points on credit cards. This will be used for digital content. There is approx. \$300,000 in bank right now.
2. SWANK: not enough interest. GMLC will not pay for another year. Members made it clear that any extra money should be used for content.
3. A few tweaks and website will launch.
4. Wendy will look at dates for upcoming annual meeting.
5. Holds- we will not be increasing number of holds. Demand is already so high.

We will reach out to Anthony at Overdrive for more information about a meeting. We are interested in Lucky Day, subscriptions and more Advantage trainings.

Several members of GMLC community joined after the meeting for Richard's celebratory lunch.

Respectfully submitted by Hannah Peacock, GMLC Board Secretary.
